Statement on the Confirmation of David Redl

WASHINGTON – The GPS Innovation Alliance issued the following statement in response to the confirmation of David Redl.

“The GPS Innovation Alliance congratulates David Redl on his confirmation as Assistant Secretary of Commerce for Communications and Information, where he will lead the National Telecommunications and Information Administration (NTIA). Mr. Redl’s communications policy experience will serve the NTIA well, and we look forward to working with him in this new role.”

The GPS Innovation Alliance recognizes the ever increasing importance of Global Positioning System (GPS) and other Global Navigation Satellite System (GNSS) technologies to the global economy and infrastructure and is firmly committed to furthering GPS innovation, creativity and entrepreneurship. The GPS Innovation Alliance seeks to protect, promote and enhance the use of GPS. For more information, please visit www.gpsalliance.org.
